

JAMBI

A TOOL tribute
from DFW.

TOOL TRIBUTE / PROGRESSIVE METAL

TOOL's music takes work. Jambi puts in the rehearsal time to get the rhythms, dynamics and feel right.

THE SHOW

About the band

Jambi is a Dallas–Fort Worth TOOL tribute with years of rehearsal and live performance behind it, including appearances at Granada Theater and Legacy Hall. The band works through the intricate rhythms, dynamics and transitions that make TOOL's music demanding to perform. The quieter passages receive the same care as the heavy sections, giving the set room to build. For bookers planning a dedicated tribute night or a progressive–metal bill, Jambi brings a focused show around TOOL's catalog. Echo Play Live coordinates booking and production with your team. Watch the Granada performance and explore the repertoire to assess the fit for your event.
