THE SHOW

About the band

The Dick Beldings have been playing 90s alternative rock and grunge for more than a decade. Rooted in Fort Worth, the band covers Stone Temple Pilots, Nirvana, Sublime, Weezer and more, giving bookers a recognizable mix that moves between heavier songs and familiar sing-alongs. The repertoire suits a 90s night, festival bill or private event built around the era. Years on local stages give the band experience bringing that music to a live audience. Echo Play Live handles booking and production coordination, working with your team on the set, schedule and technical details.
